Dear Ms. Abraham:

On behalf of the Florida Department of Education and The School District of Lee County, it is our pleasure to announce that Six Mile Charter Academy has achieved the Golden School Award. This award is given annually by the Florida Department of Education to recognize public schools with exemplary volunteer programs.

The Golden School Award is presented to elementary, secondary and adult schools that have met the following criteria:

- A minimum of 80 percent of the school staff participated in training related to school volunteerism.
- A school volunteer coordinator was designated for recruitment, placement, training and supervision.
- The total number of hours in volunteer service equaled twice the number of students enrolled in the school.

Having met these criteria, Six Mile Charter Academy has achieved excellence not only by providing meaningful volunteer opportunities for both parents and community members, but more importantly by providing invaluable learning experiences for the students whose lives are enriched everyday. Volunteers make a tremendous impact on the academic success of all of our students.

Congratulations on being recognized by our state for your outstanding Volunteer Program. The contribution your volunteers have made to your school is reflected in the overall success of your school's academic achievement. We wish you continued success with your School Volunteer Program.

Sincerely,

Jeanne S. Dozier  
Chairman
